## ABOVE ALL LIGHTING INTRODUCES PAVILION LED

Post Top Luminaire Above All® Lighting introduces its Pavilion LED post top. The Pavilion LED post top resembles the traditional lantern look. It's easy to install and is the perfect complement to architectural and environmental area applications such as street, parks, gardens, courtyards and more.

The luminaire is 16.5 inches wide and 32.5 inches high. It has a lamp life of 50,000 hours and can produce up to 120 LPW. The LED lamp is offered in 30, 50 and 75 watts and CCT ranges from 3000-5000. Options include

diffused polycarbonate lens panels as well as photocontrol.

The Pavilion LED post top is backed by a five-year limited warranty and is DLC Premium certified and RoHS Compliant.
